

MAX WAX - Terms and Conditions

1. Services

1.1. All valeting services are inclusive of chemicals, travel, labour and insurance costs unless otherwise stated.

1.2. MAX WAX does not accept any responsibility or liability for any malfunction, damage, injury, failure or loss that may arise from the services provided to the Client or the products used by MAX WAX.

1.3. Whilst every effort is made to ensure that valeting services are carried out to the highest standard (according to the condition of a vehicle), the Client is advised to check the vehicle(s) on completion of the valet. If there is any cause for dissatisfaction, the Client should point out the discrepancy to the valeter, who will endeavour to correct it at that time and to the best of their ability. No responsibility can be accepted by MAX WAX for omissions or discrepancies detected after the valeter has left the Client's premises. Should the valet be carried out with the 'Client not present' and the Client has cause for complaint, the Client is asked to contact MAX WAX within 24 hours of the valet. Should the Client fail to adhere to this time scale then MAX WAX may decline to rectify any omissions or discrepancies.

1.4. Prior to commencement of the service, the Client must disclose any known or suspected defects, damage or weakness in the vehicle which may be affected by our services.

1.5. As part of its policy to improve the quality of services, MAX WAX reserves the right to alter specifications of any services without prior notice.

1.6. If the Client fails to keep an appointment, or if the Client's vehicle is not available, a cancellation fee may be levied if less than 24 hours prior notice is received by MAX WAX from the Client. The cancellation fee is 50% of the service booked or £25, whichever is the greater.

1.7. Please remove your personal items from the vehicle before the valet. MAX WAX will not be held responsible for any items that may have been left in the vehicle.

2.2. Prices are subject to change & are exclusive of VAT.

2.3. Whilst MAX WAX will endeavour to comply with any quotation or estimate given, vehicles in an extremely poor condition will attract an extra charge.

3.6. Invoices outstanding beyond normal credit terms will be passed to a debt recovery agent, and will be subject to a surcharge of £100 per invoice outstanding. Such accounts will also be subject to any other costs involved in obtaining settlement. MAX WAX reserves the right to charge interest at 8% over base rate on overdue accounts, in accordance with the Late Payment of Commercial Debts (Interest) Act 1998, if settlement is not within its agreed credit terms. Where preferential discounts have been given, if payment in full is not received by the due date, these discounts will automatically be disallowed.

4. Licenses

4.1. Should it be required that a licence, permit, authorisation or permission be granted for valeting to be carried out at Clients premises, car park or other location, it is the responsibility of the Client to obtain any such licence, permission, authorisation or permit from the owner/operator of the premises, car park or other location.
